Baibhav Kumar

Full Stack Web Developer

PROFESSIONAL SUMMARY

Experienced Full Stack Web Developer proficient in JavaScript and skilled in the MERN stack (MongoDB, Express.js, React.js, Node.js). Strong problem-solving abilities and attention to detail. Collaborative and proactive with excellent communication skills. Familiar with RESTful API design and development.

PROJECTS

1. Hola-ex | 🌐 | 🇮🇳

CSS | HTML | JavaScript

- Crafted a captivating homepage, demonstrating proficiency in user-focused design.
- Engineered a visually appealing interface with easy navigation for optimal user experience.
- Implemented intuitive search and prominent category displays to enhance usability.
- Translated design concepts into a polished, engaging homepage, contributing to a positive first impression and user retention.

2. Columbus | 🌐 | 🇮🇳

CSS | HTML | Javascript

- Developed a Columbia.com e-commerce clone using HTML, CSS, and JavaScript
- Led the end-to-end development of a columbia.com-inspired e-commerce website
- Implemented a secure authentication system for user accounts and ensured a smooth shopping experience with a fully functional cart
- Collaborated with cross-functional teams to translate design concepts into a responsive and visually appealing interface

3. Gadgets | 🌐 | 🇮🇳

React.js | Chakra UI | Tailwind CSS | Node.js | Express.js | MongoDB

- Developed a responsive e-commerce website, Gadgets.com, using React, Chakra UI, and Tailwind CSS.
- Implemented a secure and user-friendly platform with features like authentication and a functional shopping cart.
- Employed a MongoDB, Express, and Node.js (MERN) stack for a modern backend, ensuring a focused user database for efficient shopping experiences.

WORK EXPERIENCE

Picso.ai

Community Manager

November 2022 - November 2023

Job responsibilities:

- Resolving user queries promptly and professionally, ensuring high customer satisfaction.
- Assisting customers with subscription services and addressing billing inquiries.
- Managing credit-related matters efficiently, including credit limits and payments.
- Identifying opportunities for process improvements within the community management role.
